Dear Scholarship Applicant:

Thank you for your interest in the scholarship application made available through the Nebraska Grocery Industry Association (NGIA).

Three different scholarships are available. This application is for the category of “Current College Student.” Eligibility is limited to those who either work for an NGIA member or who has an immediate family member who works for an NGIA member. Eligibility for Wholesalers and Associates is limited to those employees who are employed in Nebraska.

Applicants should be aware that failure to follow explicit directions on the application could place your chances of receiving a scholarship in jeopardy. Any application received without all supporting documentation will be forwarded on to those who grade the applications and lack of documentation will be considered when determining the total point values for each applicant.

All applications must be:

1. Hand delivered to the address listed on the letterhead above; or
2. Mailed to the address listed on the letterhead above; or
3. Emailed to afellers@nebgrocery.com

Applications must be received in the NGIA office from January 1 through May 15. Any applications that are received after May 15 will be considered ineligible for consideration. Those applicants who email the application should send a copy to themselves to assure delivery. Once an application is received, NGIA will confirm receipt. If you do not receive a receipt confirmation, please resend your application. NGIA is not responsible for any “bounce backs” or undelivered scholarship applications.

Scholarship winners will be announced by July 31. An email will immediately be forwarded to NGIA dues paying members if the applicant who works for them is a winner. All scholarship applicants will be notified, via email, if they are or are not a winner. If an email address is not provided, the applicant will receive a letter informing them of their status.

Thanks for applying and best of luck!

Sincerely,

Ansley Fellers
Executive Director
